18:00 - 18:15

INTERACTIVE REFLECTION & WRAP-UP SESSION

Moderated by Dr Yianna Danidou Assistant Professor in Cybersecurity, European University Cyprus

18:15 - 20:30

CLOSED NETWORKING RECEPTION (SPONSORS & INVITED STAKEHOLDERS)

PARALLEL STRAND – WORKSHOP

FROM REGULATION TO CAPABILITY: OPERATIONALISING NIS2 AND THE CYBER RESILIENCE ACT THROUGH SKILLS MAPPING

IQ DEFENCE coordination meeting – Algebra Bernays University, Croatia

PROGRAM (The Summit Meeting Room)

14:30 - 14:45

WORKSHOP INTRODUCTION & CONCEPTUAL FRAMING, FOCUS AREAS:

- Distinguishing regulatory compliance from operational readiness
- Structural capability gaps across organisations and sectors
- The role of skills frameworks, competencies, and professional profiles in resilience-building
- Common implementation challenges observed across Member States

14:45 - 15:15

INTERACTIVE GROUP EXERCISE: MAPPING REGULATORY REQUIREMENTS TO ORGANISATIONAL CAPABILITIES

Participants will work in facilitated groups analysing selected regulatory obligations within different organisational environments, including:

- SMEs
- Public authorities
- Operators of Essential Services
- Supervisory and regulatory bodies

Example thematic areas:

- Incident response readiness
- Cyber risk management
- Supply chain security
- Governance and accountability mechanisms

Participants will identify:

- Required competencies and professional roles
- Existing organisational capability gaps
- Training and workforce development needs

15:15 - 15:45

PLENARY DISCUSSION & CROSS-SECTOR SYNTHESIS MODERATED DISCUSSION BRINGING TOGETHER INSIGHTS FROM ALL WORKSHOP GROUPS

Key Discussion Themes:

- Recurring implementation barriers
- Differences in interpretation of regulatory requirements
- Cross-sector capability challenges
- Coordination needs between policy, academia, industry, & public administration

15:45 - 16:00

WORKSHOP CONCLUSIONS & SKILLS ALIGNMENT BRIEF

FINAL SYNTHESIS AND CONSOLIDATION OF WORKSHOP OUTCOMES INTO A STRUCTURED CONFERENCE SUMMARY

Expected Outcomes:

- Identification of core competence and workforce gaps
- Recommendations for future skills-development initiatives
- Input for policy coordination and training frameworks
- Foundations for a "Conference Skills Alignment Brief" to support future resilience and capability-building actions
